Experience

Bontouch UX Designer

At Bontouch I've helped companies such as Apoteket, SJ, Essity and Öhlins Racing to create new business by identifying opportunities and by turning innovative solutions into great products.

Current | Kalmar, Sweden

IST Group UX Lead

At IST I was in charge of the design of their full product shelf with over 1 million users. By navigating corporate politics and showing the value of user centered design I got to expand the UX team from being just me to being 4 full- time designers.

2019 - 2022 | Växjö, Sweden

Visma Spcs UX Designer

At Visma I was in charge of the design of Scandinavia's most popular bookkeeping app with >100.000 users. During this time it went from a 1-star to a 4.4-star rating on the AppStore.

2014 - 2019 | Växjö, Sweden

Verisure Innovation UX Intern

At Verisure I tested and evaluated design suggestions for their smart home mobile app.

2014 | Malmö, Sweden

Education

Malmö University BSc in Interaction design

Wrote my bachelor thesis about the usage of metaphor and skeuomorphism in user interfaces.

2011 - 2014 | Malmö, Sweden

University of Guelph Exchange studies

Semester abroad studying Programming, Management and Leadership.

2013 | Guelph, Canada
