Experience

Bontouch UX Designer

At Bontouch we build mobile apps for some of the worlds coolest and most successful companies.

Current | Kalmar, Sweden

IST Group UX Designer

At IST I built a UX team from the ground up by spreading a UX mindset across the entire organization, while also being in charge of the design of the full product shelf.

2019 - 2022 | Växjö, Sweden

Visma Spcs UX Designer

At Visma I was in charge of the experience of all the mobile apps, including scandinavia's most popular bookkeeping app with >100.000 users.

2014 - 2019 | Växjö, Sweden

Verisure Innovation UX Intern

At Verisure I tested and evaluated design suggestions for their smart home mobile app.

2014 | Malmö, Sweden

Education

Malmö University BSc in Interaction design

Wrote my bachelor thesis about the usage of metaphor and skeuomorphism in user interfaces.

2011 - 2014 | Malmö, Sweden

University of Guelph Exchange studies

Semester abroad studying Programming, Management and Leadership.

2013 | Guelph, Canada
